

DG Reimagined

## Greg Bolino

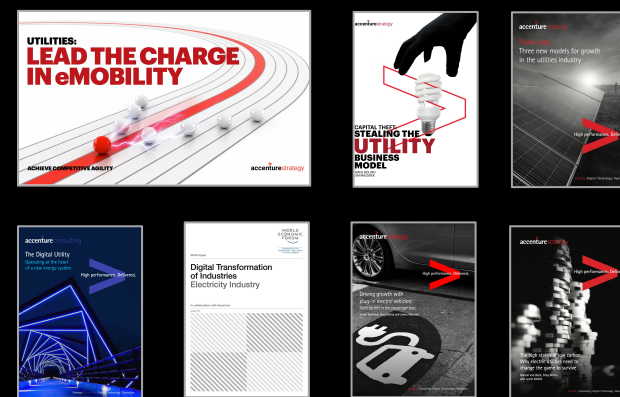

Greg is a seasoned strategist and business leader with over 35 years of consulting and management experience. For 17 years, he was Managing Director at Accenture and led the Utilities Strategy practice in North America and in the UK & Ireland. He served as thought leader and advisor to executives in multiple industries including utilities, telecommunications, media and cable, and retail. His extensive work with utilities focused on the evolving utility business model, including utility of future strategies, energy services, grid investment and regulatory strategies. He also held leadership roles at multiple consulting companies and two venture-backed startups.

Greg is a thought leader on the energy transition and has published numerous perspectives on the changing energy landscape. He has shared his visionary perspective with Boards of Directors of numerous utilities and has spoken at numerous conferences and industry gatherings. He is a strategic thinker, a compelling presenter, a collaborative advisor, and a skilled facilitator.
